Volunteer Applicant Disclosure Form

Under Washington law, King County Library System (KCLS) is required to obtain a written disclosure from anyone desiring to volunteer in an assignment that will or may involve unsupervised access to children under sixteen years of age, developmentally disabled persons, or vulnerable adults. In conjunction with this law, KCLS conducts a background inquiry with the Washington State Patrol on anyone who applies to volunteer at KCLS. Successful completion of this background inquiry is a condition of volunteering with KCLS. Information obtained through this process may not necessarily prevent volunteering. However, it will be used to help determine suitability and competence to perform the assignment(s) and, on this basis, may result in denial of voluntary services. If you undergo this inquiry, KCLS will provide notification to you within ten days about whether you have successfully cleared the background inquiry.

I agree to provide, if requested by KCLS, my driving record abstract for the last twelve months. I understand that my selection for a volunteer assignment is contingent on the successful outcome of these background checks.
