King County Library System

OUR PATH TO REOPENING

Please note: all services and timing of reopening are subject to change.

Please visit **kcls.org** for updates.

Phase 1

- ☑ Continue to provide online services and programs.
- Digital collections.
- Online programming.
- Ask KCLS by phone, email, chat.

☒ All libraries remain closed to the public.

☒ All book returns closed; no returns allowed.

CURRENT Phase
Phase 1.5

- ☑ Some staff return to buildings to resume activities to prepare for Phase 2 and 3.
- Physical distancing and health protocols in place.
- Select book returns will gradually open with strict guidelines.
- Phase (and sub-phase) progressions depends on current public health and safety guidelines.

☒ All libraries remain closed to the public.

Phase 2

- ☑ Staff in buildings with physical distancing and health protocols in place.
- Ability to place and pick up holds and materials with Curbside To Go services at select locations, in a multi-phase rollout. Modifications likely.
- Limited mobile outreach delivery with Library2Go!
- Phase (and sub-phase) progressions depends on current public health and safety guidelines.

☒ All libraries remain closed to the public.

Curbside TO GO
Books & Services Now Available!
KING COUNTY LIBRARY SYSTEM kcls•org

Phase 3

- ☑ KCLS invites the public back to some or all buildings with modified operations.
- Limited hours, services and access to technology will be determined and may vary by location.
- Physical distancing and health protocols remain in place.
- Curbside To Go and Library2Go! mobile outreach delivery continues to rollout.
- Phase (and sub-phase) progressions depends on current public health and safety guidelines.

☒ No large public gatherings inside libraries or in-library events.

☒ Meeting and study rooms closed.

Phase 4

- ☑ KCLS returns to standard business practices while continuing to offer services in new ways learned during the pandemic.
- Libraries open.
- Meeting and study rooms open, pending Administration approval.
- Large public gathering allowed inside libraries.
