SUMMER READING FOR ALL AGES

Engaging with your young child helps them develop language and literacy skills.

Mark one shape for every activity completed.
After marking 25 shapes, come to the library for a prize.
After marking 50 shapes, return to the library for a final prize.
Do any of the activities you like, as many times as you like.
One halfway prize and one finisher prize per person, while supplies last.
Prizes available starting July 1.
