## KCLS 3 Million Reads Challenge

**Celebrate intellectual freedom, exercise your First Amendment rights, and practice your freedom to read or listen to books that meet your individual needs or preferences.**

**The goal is simple: Select any book you want to read or listen to. Together, we will track three million minutes of reading in 2024. Let's come together to make this reading challenge a success!**

### How It Works

- **Fill out the Reading Log. Mark a box for each hour read, listening or read to someone else.**
- **Or, sign up at [kcls.beanstack.org/reader365](https://kcls.beanstack.org/reader365) to track your reading online.**
- **Bring the completed sheet into the library by December 31, 2024, and give the log to staff to be entered into the prize drawing.**
- **You may enter the drawing for each 10 hours of reading or listening completed.**
